BE COMPUTER SAFE AND AVOID TECH SUPPORT PHONE SCAMS!
Cybercriminals don't just send fraudulent email messages and set up fake websites. They might call you on the telephone and claim to be from Microsoft. Please note that Microsoft will never contact you directly to sell or fix a product of theirs. If you receive a phone call or see a pop-up window on your PC, don't take the risk, hang up the phone and do not open the pop-up window.
New scam: Do not answer "yes" to any questions from random callers.
